Please note all figures are based on Result Sheets received, and are for League games only, they do not include Hills Supplies Cup games or Romida C of C games.

Batting (min 150 runs from 50% of actual games played)

Bowling (min 10 wcks from 50% of actual games played)

Apologies to any player who thinks they have done better (or are not included at all) - Once again several Clubs failed to name players taking catches (their own included), and several appear to have played a full season without a wicket-keeper.
