End Of Season Tournaments – Finals

Finals commence this date to be played over 2 nights. Please note that the number of overs must NOT be reduced. See rules in handbook for guidelines on suspension of first innings (optional by mutual agreement but recommended to avoid needless extension of a one-sided game) and provision for substitute players.

By mutual agreement these games may be played on one day (perhaps 4pm start mid-week or 2pm on a Sunday- note that DrakesHCL grounds cannot be used on Sunday 10th August) or on reverse ground but games must be 35overs per side and must be arranged to start on or before the scheduled date. Result sheet to be submitted by home team within 24hrs of end of game.

Both teams are recommended to make contact with their opponents to confirm details of these 35over contests.

Please note the Runners up games (i.e both winners and losers have games on final day 18th August) which were introduced in 2012.
