Huddersfield win by 69 runs

Huddersfield in Joe Lumb Final with an emphatic victory against a strong and previously unbeaten Heavy Woollen

In front of a very good crowd and in glorious sunshine, Huddersfield won the toss in a game where the winners top the Group and are in the Joe Lumb Final. A winner takes all game. Simply because Heavy Woollen have batted first in all their previous games and have averaged well over 300 runs per game, Huddersfield decided to bat. All cricketing reasoning said put the opposition in to bat, but what do we know about cricket logic?

Maybe it would be have been better to have listened to the cricketing brain as the Huddersfield batters had to fight for every run and after 26 overs they had battled to 70 for 3 with the top three batters in the pavilion. Survival and batting the full 50 overs was paramount and Alex Kemp continued his successful season with a hard fought 41 in 107 balls. It has been said many times that Huddersfield bat all the way down the order and again it was confirmed as Tom Barber and Sam Hall posted valuable scores of 24 and 17 not out respectively. This was a hard fought innings on a difficult track and Huddersfield were pleased to have batted their overs and to post a score over 150.

The reaction of Heavy Woollen and their supporters at tea was they could score these with the bat handle but they were advised by the Huddersfield wordsmiths to enjoy their tea because that's all they would enjoy today.

The Huddersfield team were immediately in the faces of the Heavy Woollen batters, giving them nothing with Tom Brook, Oliver Davidson and Sam Hall balling an excellent line and length. At 76 for 3 after 26 overs Heavy Woollen were in a similar position to Huddersfield and it was any ones game. Enter Tom Barber into the attack. He balled superbly from the off and was well supported by excellent fielding, in particular a vital catch by George Smith. At times he was unplayable and within 12 overs Heavy Woollen went from 76 for 3 to 96 all out. Barber finished with 5 for 13 but even those excellent figures do not express how well he bowled. He is a very talented cricketer who thinks about his game, his vital 24 with the bat and his wonderful balling spell made him a clear man of the match. Particular mention must be made to Oliver Davidson who balled 18 excellent overs keeping one end well and truly tied up.

Praise must go to all the Huddersfield team for sticking to the task. They all have strong characters and are not fazed by any one or any team. They truly are a team and they are delighted to have gone through the group stage unbeaten and to reach the Joe Lumb Final. The most pleasing thing is the attitude of all the young men in the squad. It is never easy to please all the players all of the time but they have accepted the principle that the team comes first. They have remained positive and supportive of each other.

Well done to Tom Brook and his team. Be proud, you deserve to be.

Information on the final and the opponents later.
