East Yorkshire 143-2

Huddersfield 80-8 (L.Richardson 26)

Huddersfield travelled to East Yorkshire for an under 10 game with a few players unavailable and with only 10 men. East Yorks progressed steadily to 30-1 in 10 overs after electing to bat first, before accelerating the innings mainly due to excellent running between the wickets in the last 10 overs to post a good total. Huddersfield lost 2 early wickets and a retirement from illness before a brief spell of 5 overs when 40 were added for the 3rd wicket by Lewis Richardson and Ryan Wadsworth. The unforced loss of both batsmen in succession effectively ended any chance of winning and despite a promising knock from Chris Hirst on debut the innings quickly ended in the 20th over.
